Errata

Carotid calcifications in panoramic radiographs in relation to carotid stenosis
Maria Garoff (2016), Department of Odontology, Umeå University
ISSN 0345-7532
Series No 136

Corrections
# Page 6, figure legend: “perioperative risk < 6%” should be “perioperative risk < 3%”
# Page 14, paragraph 3, line 10: “and all neck sides” should be “61% of neck sides”
# Page 14, paragraph 3, line 13-14: “was not necessary since all calcified extirpated carotid plaques were depicted in the PRs” should be “was not performed”
