

## Errata sheet

This errata sheet lists errors and their corrections for the doctoral thesis Ulrika, Wikström Hultdin, titled "Between symbols and words : structural connections in mathematics texts and how they affect reading", Umeå University, 2024. ISBN (print): 978-91-8070-379-6, ISBN (pdf): 978-91-8070-380-2

Location	Error	Correction
Page xiv	Paper II, order of authors: "Bergqvist, E., Bergqvist, T., Vingsle, L., Wikström Hultdin, U, & Österholm, M."	Österholm, M., Vingsle, L., Bergqvist, E., Wikström Hultdin, U., & Bergqvist, T.
Page xiv	Paper III, title; "Students' recognition of connections between mathematical symbols and written language: impressions, preferences, and reading time differences."	How the organization of mathematical symbols and written language affect reading and learning: students' perceptions and preferences
Page xiv	Paper IV, title: "Students' reception of two alternative arrangements of mathematical symbols and words in task texts."	Students' Reception of Two Alternative Arrangements of Mathematical Symbols and Words: Differences in Focus and Text Navigation
Page xiv	Paper IV: " <i>Manuscript accepted with minor revisions for publication in The Journal of Mathematical Behavior</i> ".	<i>Manuscript accepted for publication in The Journal of Mathematical Behavior.</i>
